PREFACE

The Wauseon (Fulton County) Ohio Daughters of the American Revolution is happy to make available, for the first time, an alphabetical listing of the marriages in Fulton County, Ohio for the period of 1864 thru 1925.

We are sorry that marriage records are not available before 1864 due to a fire in the court house in which they were destroyed.

It is our hope that this book will be of enough importance to genealogical organizations and individuals that we will not have done our work in vain.

As you know, the spelling of many names is hard to decipher in the old records of courts. Clerks spelled many names the way they sounded to them (example - Hudrey for Audrey). However, we have spelled names as nearly the way they appear in the records as possible. Also in last name spelling, it may be necessary to check a number of ways of spelling to find the one you are looking for.

We have made this a cross reference so that you will be able to locate by either the man's or ladies name. In pages 1 thru 187 the man's name is first with the marriage date and the volume and page the marriage is recorded at the court house. The second portion, pages 188 thru 280 lists the ladies name only with the page number of the front portion where you will be able to locate the man's name and other information.

Happy hunting,

Wauseon (Fulton County) Ohio D.A.R.
